Meeting & Symposium Information

The UKU meeting will provide existing and new Fotona laser users with the ability to learn about new and existing medical laser treatments. Gain a better understanding of who to treat, when to treat, how to treat, which techniques to employ along with recommendations of pre and post treatment options.

We will also cover certain aspects of laser handling, best practice and basic maintenance of your Fotona laser system. It is a two day event that will be held at the Ark conference centre in Basingstoke just 40 min from central London.

We will cover two main medical fields:

- Aesthetics & Dermatology
- Gynecology & Sexual Medicine

Meeting Registration and Entry:

Free of Charge
(free parking available)
